Cape Grim in the North West of Tasmania has had a baseline station on it since the 1970's and is operated by the CSIRO. A baseline station takes measurements on standard air pollution particles, and is considered to be the closest attainable to a global average. The remote location, the low levels of air pollution, and sheer complexity of only being able to harvest for 30% of the year make this one of the benchmark world waters.

Me Wah Martini's & Cocktails (美華鸡尾酒)

The Martini

How you prefer your martini says something about your character. Do you like to lounge dirty, be reserved with an extra dry or float delicately with it stirred? There are many claims on how it was invented. The most plausible is that it first appeared on the East Coast of the USA. New York City's Knickerbocker Hotel was, in the early 20th century, manned by bartender Martini di Arma di Taggia. The story goes, he served a drink, a favourite of John D. Rockefeller, that blended London dry gin, Noilly Prat Vermouth, and orange bitters. Was this Martini-like concoction named in honour of the barman? WE will never know.

25

A zesty little number to remember the summer days as they fade away and the nights get longer and a little colder. It drinks pretty well too!

House of Cards Kraken Black Rum, Disaronno Amaretto, Black Walnut Bitters, Fresh lime & Apple juice

30

Taken from the House of Cards TV show, this is a look at something tasty and delicious. However it packs a punch. Watch you're back, otherwise you could be on it. Something that many of the characters of the show found out to their downfall. Salute!

Christmas Cake Galliano White Sambuca, Disaronno Amaretto, Cream, Nutmeg & Crème de Cacao with P.X.

20

Obviously a complete rip-off of the classic Brandy Alexander, this one has a little more teeth, and savoury punch to it. A great cocktail to have as a digestive after a filling meal.

Classic Cocktails (经典鸡尾酒)

Negroni Bombay Gin, Campari & Dolin Red Vermouth served down with a traditional orange twist 22

Legend has it that Count Camillo Negroni invented it by asking his friend, bartender Fosco Scarselli, to strengthen his favourite cocktail, the Americano. However Negroni changed it slightly thereby creating one of the most famous classic cocktails of the 21st Century by requesting gin to be added rather than the normal soda water. Soon, everyone was coming into the bar and ordering a 'Count Negroni,' quickly titled to just the last word.

Mojito Bacardi Superior White Rum, Soda Water, Mint Leaves, Fresh Lime, Simple Syrup 18

The Mojito comes from Cuba, and would be regarded as the national drink of that country. If you were a farmer with a bottle of cheap Cuban rum, then how would you make it drinkable? Throw in some lime, a bit of mint and some sugar cane juice. Then it'll go down just fine.

Boulevardier Buffalo Trace Bourbon, Dolin Sweet Vermouth & Campari with orange twist 20

Its creation is ascribed to Erskine Gwynne, an American-born writer who founded a monthly magazine in Paris called Boulevardier, which appeared from 1927 to 1932.

Looking for: Margarita, Capriosa, Bloody Mary or Long Island Iced Tea; we're very good at those too.

The Tasmanian Sommelier Diaries (侍酒师日记)

Here is a quick reference guide to some of the best on the list in major categories. It is intended as informative, fun and engaging. The leg work has been done, now you need to do the arm work!

2005	House of Arras Sparkling	Rose	Tirage 6 years	Multi-Vineyard Area, Tas.	120
<p><i>From one of, it not the (best) producers of sparkling in Australia. The house is used as a common comparison against champagne, having taken out multiple awards and trophies along its relatively short history. This has beautifully poised length and balance, with long tirage giving complexity, while still retaining that subtle elegance that typifies great sparkling's. A dominance of red fruits, with aromatic peach being backed by the cool climate acidity that has made Tasmania a renowned producer of wines.</i></p>					

2014	Chartley Estate Riesling			Tamar Valley, Tas.	99
<p><i>Riesling in Tasmania certainly needs no introduction, but for many this is an estate that flies under the radar. Having taken out the Best Dry Riesling in the World Trophy at the Canberra International Riesling Challenge. Certainly no mean feat. A classic lime citrus vein, perhaps with a touch of natural sweetness, balanced with that ripping acid profile, and given some high tones with white rose and lavender floral notes. A well balanced wine that suits local seafood so well.</i></p>					

2011	Derwent Estate Chardonnay	Single Vineyard	Calcaire	Derwent Valley, Tas.	120
<p><i>Calcaire(Fr)n. kalker: limestone, calcareous. For many one of the top estates for Chardonnay and Pinot Noir in the state. Having being a Yattarna competent supplier for many years states their pedigree. A liner profile, cupping beautiful tree and stone fruits, supported with a chalky minerality and a touch of oak maturation makes this a prolific wine in all the right senses.</i></p>					

2013	Tolpuddle Pinot Noir	Single Vineyard		Coal River Valley, Tas.	140
<p><i>What happens when u go to Tasmanian for some lunch? U buy a vineyard. So Shaw & Smith founds themselves with an excellent piece of terroir on their hands. A long reputed vineyard, now making some amazing wines. The confirmation was with wining the best Australian Red Wine at the International Wine Challenge. Intense aromatics supported by a strong tannin presence that is ripe but not blown out, acidity keeping the fruit lively and clean, with a long length of palate that many Burgundy producers would envy.</i></p>

RM - Recoltant-Manipulant (Grower Champagne). One of seven, two letter symbols that can appear on a bottle of Champagne. It means that the same person who grew the vines, is the same person who makes, bottles and sells the wine themselves. An exercise in complete control over production. It is a great way to look at the thing everybody talks about: **Terroir**.

Collection Domaine de la Romanée-Conti: DRC (羅曼尼.康帝)

" This is the rarest and frequently rated the best pinot noir in the world, even in its lesser vintages. This domaine which is run by the de Villaine family produces the best examples of pinot noir you could possibly imagine. The wines from this domaine are well recognised by their essence, purity, nectar and aristocratic status. Nature has made this domaine's wines the yardstick of Burgundy" * Reference Clive Coates MW

Rare & Exceptional Items (优秀)

MV	Penfolds Great Grandfather Tawny Style	60ml	Multi-Regional Blend, S.A.	65
<p><i>This amazing rare tawny was created in 1994 to celebrate the 150th anniversary of Penfolds. The blend is selected from within the standard Grandfather solera, and then individuals barrels are selected and given additional aging. This gives the Great Grandfather an average age of 30 years, which produces a tawny of greater complexity and power and is only ever released in small amounts. The nose exhibits intense aromas of rasined fruit, toffee and malt, while the palate shows the classic aged rancio notes.</i></p>				
MV	Remy Martin; Louis XIII	30ml	Cognac, France	155
<p><i>Louis XIII is a blend of 1200 eaux-de-vie, with ages ranging from 40 to 120 years old, using only Grande Champagne level grapes, the highest grade in the Cognac region. This is the King of Cognac's, and a bucket list experience if there was ever one. Evocative aromas of myrrh, tobacco leaf and sandalwood culminate in a harmonious palate & an extremely long finish.</i></p>				
	Sullivan's Cove Blue Label Single Malt Whiskey	30ml	Cambridge, Tasmania	35
<p><i>Barrel Selection - TD0035 Barrel Date - 06/09/2005 Bottled - 05/07/2016 Age: 11 yo Cask Type - French Oak Seasoning Type - Port Recommended Serving - Neat with a small amount of room temperature water on the side</i></p>				
<p><i>The climate, production methods, or through the sheer skill of the master blenders, Tasmanian whiskey has been recognised as some of the best in the world. This has been confirmed by Sullivan's Cove having taken out the coveted World Whiskey Awards 2014 - Worlds Best Whiskey. Enjoy!</i></p>				
MV	Campbell's Muscat; Merchant Prince	30ml	Rutherglen, Vic	25
<p><i>One of the quintessentially Australian items of the wine world, Campbell's is also a proud member of Australia's First Families of Wine. Made from Muscat a Petits Grains Rouge or Brown Muscat as it is know in Rutherglen, this is as hedonistic as it gets. The 'Rare' element indicates it has an average of 20+ years as a minimum, but in reality it would be closer to 60+ years. When you drink this, think of burnt caramel or syrupy figs, toffee and maple syrup, and if that's not enough "this is one of Australia's great gifts to the wine world". *Reference Jancis Robinson MW</i></p>

Chinese Rice Liqueurs / Baijiu (白酒)

Chinese rice liqueurs date back to the qing dynasty of 1644. The 6 major ingredients of rice liqueur are broomcorn, corn, glutinous rice, rice, wheat and spring water. The distilling process is carried out just once resulting in the liqueur being only lightly filtered. It is distilled in earthenware pots from 5 to 80 years and has an alcohol content ranging from 38% to 68%. These rice liqueurs can be enjoyed throughout the meal or as a digestive. Below is our range of classic fine Chinese rice liqueurs
